

JOIN THE MOVEMENT FOR A Healthier New England!

A Blue Zone Community

As a New England Shaklee Business Associate, we are introducing these events to support and introduce the concept of a **Blue Zone** Community.

Our events focus on incorporating Blue Zone Principles (healthy longevity principles) with Shaklee products and stories. The Blue Zone Project helps communities become healthier with each individual family becoming a mini-blue zone, thus growing your community into a **Blue Zone**.

Blue Zones are places in the world where people live longer and healthier than anywhere else on earth. Several exist and in each of these places, people are living healthy – without medication or disability - into their 100's. We help people live longer, better through behavior change and community transformation programs, lowering healthcare costs, improving productivity, and boosting recognition as great places to live, work and play.

Join us, in an open forum, to **discover** how our partner, Shaklee, aligns with the **Blue Zones** around the world, **hear** stories of how our products have melded the **Blue Zone** concepts helping others and **learn** about our products. You may even learn how to help your community become a **Blue Zone**.

Where: 50 Springs Rd, Bedford, MA 01730
When: 1st, 2nd and 3rd Wednesday at 7:30pm
(Light Refreshments Served)

RSVP: info@scotiahealth.com
